To the Whigh of Penobsert County.

A Whig Covenition of the Legislature, at their record records, having determined spine. I Whig State: Convention, to be, held at Por land, for the purpose of nominating a Candidate of Governor, and of making preparations for the Repressive relevant of making preparations for the Repressive relevant of the State Committee having given public notice that said Convention will be held on the 7th day of August next, at 10 o clock A. M., you are required. Towns and Plantations, for the choice of Open state, to us the Convention, actualing to the following naise of represent you is the Convention, actualing to the following naise of represents the following naise of representation:—

Towns and Plantations of 1000 inhalitants or less, will be entitled to 1884 delegates of noise than 1000.

They and Finistions of 1000 hishination less, will be entitled to treadelegates; of here than 1000, no four delegates; of more than 2000, no four delegates; of more than 2000 and less than 4000, to eight delegates; of more than 4000, and less; than 2000, to then delegates. And the town computities are removed devices accomplished o mare uses uses, to mitten melegatis. And the own committees are requested togive seasonable oride of the time and place of holding meetings to the above named purpose, in their respective town and in adjoining plantations.

By Order of the Compty Committee Bangor, July 14, 1215.

The Safety of the Steamer Charter Oak, after having been in great peril .

The Charter Oak arrived bere last evening, a number of hours belief her time flut without any great unitiety being felt by our citizens, as st was supposed the was detained by the for It appears that while she was proceeding cautionsly near Monhegan, with the engine of rest, she struck upon the ledge known as the "Old Man," the same upon self-ch, the schooner Free Trade was wrecked some time since, and for haif an housewas in great peril. The following account has been furnished us by a passengeran eye-withdes. It gives a graphic statement of the erroumstances and the intensely exenting

The Charter Oak arrived late in Portland on Wednesday evening, liaving been detained by a thick for, which continued (through the night consequently Capt Howes deemed it improdent to leave before Thursday morning. The Best, with about 125 passeagers, (49 of livem ladies) left Portland about 5 o'clock A.M , and made a good and through a fog of increasing density to the visinity of Montegan, running very slowly. as she approached that Island, stopping, ranging the beil, and sounding, at intervals of four min line, until the third castof the lead, which gave 25 tathoms. The Bost was thep ren four minutes, at the rate of eight miles per pour, when the lead gave 10 fathoms, with no land or breakers in sight. In about three in motes more, (the engine not being in motion; and while all were anxiously looking out, she struck on the nicks known as the "Old Mun's Ledge," bearing N three miles distant from Monbertan Fortunale. ly there was but little swell of the sea, for the Boat was hard and fast; and could not be backed off with the full power of the engine. The shock of striking, the rothing and thumping, as the sea rolled and litted the Boat, seemed to carry to every one a conviction that the Boat, and perhaps many of her passengers, must mevitably be lost. It was an appalling moment-loose fornature, baggage, dec., rolling from side to sideall alarmed -some praying, others running to one der Aller filtering der gerang und ming für was som obtained. There was produlty nevers and selection of the Control of th and fro -ladies fainting, weeping and calling for their husbands and chalifren 'Comparative order

OR BOARD STRINER CHARTER DAK,"

The passengers being convened the following Resolutions were presented by a committee and were unanimously adopted.

Resolved That while like now ledgen; our grat-stude to a majorial Providence for the proserva-tion, we owe our grateit and hearty. Unnke to Capt. S. H. Howes to his mingled shrings, and self-possession during its trying, hour when the Streamboat was grading upon the packs; and when all must have been in confine and disco-der but for those trains on commender which der but for these traits of a commander which he so emmently possesses, that previous to be occurrence of the disaster he had manifested all the reach of the shanker he had monitored all the case and produces that thursen in elselistic could suggest; while now gating through "log, the density of which was almost unparallelled; and that to him aided by his excellent, others and faithful crow, we are indebted for the safety of the body, our property, and probably for the lines of many of his

Resolved, further, That we grapitally ac-knowledge also the efficient exertions of all the officers of the foot, specially those of his Spear, where him attentions and as fectomand greatly related the terrible surgettes of the flow.

Besolved further, That a copy of the resolu-

time be nighted by all the personners and pre-scriped to Capt. Hower; and that the same be-put lished in the newspapers of Bangor with a recipest that the newspapers of Portland an | Bus-

nii copy them.
